Technology In Society: An International Journal maintains editorial offices at the Polytechnic University, 6 Metrotech Center, Brooklyn, NY 11201, USA. George Bugliarello is Chancellor of the Polytechnic and A. George Schillinger is Professor of Management.

Frequency: Published Quarterly in January, April, August and November

Publication information: Technology in Society (ISSN 0160-791X). For 2002, volume 24 is scheduled for publication. Subscription prices are available upon request from the Publisher or from the Regional Sales Office nearest you or from this journal's website (http://www.elsevier.com/locate/techsoc). Further information is available on this journal and other Elsevier Science products through Elsevier's website: (http://www.elsevier.com). Subscriptions are accepted on a prepaid basis only and are entered on a calendar year basis. Issues are sent by standard mail (surface within Europe, air delivery outside Europe). Priority rates are available upon request. Claims for missing issues should be made within six months of the date of dispatch.

Author enquiries: For enquiries relating to the submission of articles (including electronic submission), the status of accepted articles through our Online Article Status Information System (OASIS), author Frequently Asked Questions and any other enquiries relating to Elsevier Science, please consult http://www.elsevier.com/locate/authors/
